### Secondary Field Requirements

**Requirements, 6 half-courses**

1. At least two half-courses in a South Asian language. We regularly offer Hindi-Urdu, Sanskrit, Tamil, or Tibetan. Student language work undertaken in study abroad programs in India or summer intensive studies in the United States would also be eligible for meeting this requirement.
2. At least one foundational or wide-ranging course in the civilization of South Asia. Currently this could be met by regular General Education offerings as well as departmental offerings.
3. Three half-courses in South Asian studies that supplement these basic courses, as approved by the Director of Undergraduate Studies.
